February 27, 2017

Skills to practice at home:

- ⇒ Help your child learn to identify visually and know the value of coins.
- ⇒ Give your child 4-5 numbers between 10 and 100 and have him/her put them in order from least to greatest OR greatest to least.
- ⇒ After reading a fiction book with your child, ask, "What do you know about (character)? What words does the author use to show you?"
- ⇒ While reading a non-fiction book with your child, ask, "What new information did you learn from the captions?"
- ⇒ Compare numbers using the terminology "greater than" "less than" and "equal to".
- ⇒ Discuss ways to be Safe, On Task, Always Respectful, and Responsible

What's Going on in eLc

Famous Americans

This week we finished our study of famous Americans. The students really learned a great deal of information about these people, but more importantly, they learned that they can make a difference in the world by making good choices! You will find their work in their Family Folders today. Please ask them questions about their favorite American we studied!

Color Days Next Week

Next week, all of Forest Lake will be dressing in certain color shirts each day:

Mon.—Blue
Tues.—Red
Wed.—Green
Thurs.—White
Fri.—Tie Die or Yellow

Tissues, please!

It is that time of year! We are going through a 1 1/2 boxes of tissue a week! If your child's name begins with a letter A – K, please send a box of tissue if you can! (Due to lack of storage, I don't want everyone to send one now! I will get M – Z to donate when we run out!
