The 1st Grade eLc Galaxy

March 10, 2017

Skills to practice at home:

- ⇒ Help your child learn to identify visually and know the value of coins.
- ⇒ After reading a fiction book with your child, ask, "How is the main character changing from the beginning to the end of the story?"
- ⇒ While reading a non-fiction book with your child, ask, "What information did the author think was important for someone to know?"
- ⇒ Compare the lengths of items using terms such as "longer than" "shorter than" "longest" "shortest".
- ⇒ Discuss ways to be Safe, On Task, Always Respectful, and Responsible

What's Going on in eLc

Writing with our NASA Buddies

This week we met our NASA Buddies from Mrs. Smith's third grade class. After we interviewed each other to get to know one another, our students told Mrs. Smith's students what we have learned about the sun and the moon. Then, the third graders helped us to use our knowledge to write a diamante poem about the sun or the moon. We will collaborate with our NASA Buddies again soon!

Meet Lifeguard Lucy

This week we began our measurement unit by introducing a two inch tall character named "Lifeguard Lucy" to the students. They had to search the room for items that were half as big, the same size, and twice as big as she is. We also brainstormed about what a person needs to know in order to build a treehouse. We concluded that besides knowing how to use the tools safely, we needed to know the measurements of how big we needed the wood to be! More measuring and constructing coming soon!

Mark Your Calendar!

March 2017

Sun Mo Tue We Thu Fri Sat

			1	2	3	4
5	6	7	8	9	10	11
12	13	14	15	16	17	18
