# The 1st Grade eLe Galaxy

October 14, 2016

### Skills to practice at home:

- ⇒ Counting forwards from a given number. Play a game asking your child to count to a number (like 50 or 100) from a random number. “Count to 50 starting from 26.” Also practice counting **BACKWARDS**—first start at 25, then increase the start number. This skill is helpful for subtraction.
- ⇒ After reading a fiction book with your child, ask about the characters, the setting, and the problem of the story.
- ⇒ Practice doubles facts through  $10+10$ . Also practice “doubles plus one facts” like  $3+4=7$
- ⇒ Counting by 2’s, 5’s and 10’s. If your child can easily count these ways, start on a different number: 2, 7, 12, 17... or 32, 42, 52...
- ⇒ Discuss ways to be Safe, On Task, Always Respectful, and Responsible

## FLE Spirit Week is Oct. 24 - 28!
